**ORDER:**

In the Government Order first read above, orders were issued to dispense with the procedure of maintaining the waiting list to fill up the fall out vacancies owing to non-joining of the selected candidates. Subsequently, in the Government Order 2<sup>nd</sup> read above, an adhoc rule was issued to discontinue the procedure of maintaining waiting list by the recruiting agencies other than Andhra Pradesh Public Service Commission.

2. In order to provide effective health care to the needy people, a number of notifications were issued to fill the vacancies for the Medical Institutions under the control of Medical and Health. A number of persons have not joined the posts and the vacancies continue to exist. The instructions at para 1 above prohibit the department from filling up all the vacancies notified. Manpower is crucial in the department particularly of Medical Officers. As health care is an essential service and need for staff is critical, it is decided to fill those un-filled vacancies duly picking the medical officers from the waiting list thus prepared at the end of scrutiny of applications received for every notified recruitment.

3. The Government after careful examination and in relaxation of adhoc rule issued in G.O.Ms.No.544, General Administration (Ser ) Department dated 4.12.1998, hereby accord permission to the Director of Health to keep the waiting list in the process of conducting the recruitments of Civil Assistant Surgeons, where the candidates selected do not join duty, duly following the procedure as follows:-

- (i) the waiting list shall remain in force for a period of one year from the date on which the selection list is published or till the issue of fresh recruitment notification, whichever is earlier;
- (ii) the Director of Health may select candidates from the select list prepared in place of those who do not join the duty within the time given;
